8/1/2024

Hello High School Families,

I hope everyone's summer is going well. I wanted to inform everyone of a new phone policy that will be in place at the start of the school year for all high school students. During the school day students' phones, airpods, and smartwatches will be locked in Yondr phone pouches that will remain in the students possession but they will not be able to be used. At the end of the school day the pouches will be unlocked and students will be able to utilize their devices again.

I understand that this is a big change and the decision to move to this policy was not taken lightly, but it was made with the best interest of our students' education in mind. Below is some information directly from Yondr that may answer some of your questions.

Thank you,
Matt Wilttrout
High School Chief School Director

Dear Parents,

We will be making our school a phone-free space to improve teaching and learning using a program called [Yondr](#). Yondr has been implemented in over 2,000 schools across 16 countries to facilitate an engaged learning environment.

We believe that phones have great utility. We have also found that learning and social behavior improve drastically when students are fully engaged with their teachers and classmates.

The Yondr Program utilizes a simple, secure pouch that stores a phone. Every student will secure their phone in a Yondr pouch when they arrive at school. Students will maintain possession of their phones and will not use them until their pouches are opened at the end of the school day.

We received responses to our annual surveys from over 1,200 school partners, and after implementing the Yondr Education Program:

- **84% saw a change in student engagement**
- **72% saw a positive change in student behavior**
- **68% saw a positive change in academic performance**

Of our most recent impact survey of over 370 of our school partners:

- **86% saw a positive impact in student safety and wellness**

How Yondr Works

As students enter school, they place their phone in their assigned Yondr Pouch.

Students close and secure their Pouch, keeping it on them throughout the day.

When leaving school, students tap their Pouch on a Base to retrieve their phone.

Frequently Asked Questions

What if I want to reach my child during the school day?

We want our students to be engaged in their learning. If you need to contact your child during the school day, contact the main office at 610-841-7044.

What if there is a school emergency?

In case of a school emergency, we direct our students to safety first, following our school emergency preparedness protocol.

Will my student's phone be safe?

Students are in possession of their phone - in their Yondr pouch - for the entire school day. We will advise students to store the pouch in their backpacks where it is completely safe.

What if the Yondr pouch gets damaged or a student is caught on their phone?

The Yondr pouch is property of the school. If a student damages their Pouch or is caught on their phone, Administration will collect the phone/Pouch and call home:

- **The Parent will come to the school and pick up their child's phone**
- **AND/OR Consequences may include: Being placed on concern/ In-School Suspension /Replacement Fee**
