High School Uniform Policy Update 2027-2027

High School Families,

For the 2026-2027 school year, the uniform for high school students remains the same as it has been; a white dress shirt with Executive tie, khaki pants or skirts, and sneakers or dress shoes (no crocs, slides, or sandals). An Executive quarter zip is the only outerwear that is permitted over the shirt and tie (no hoodies).

One point of emphasis this year will be the length of skirts for those who choose to wear them. They need to be at least as long as the student's fingers when their arm is extended.

When this is not the case, there will be a two-strike system implemented. If a student is wearing a skirt that is deemed inappropriate, their parent/guardian will be contacted via email or phone. If this happens twice during the year, that student will lose the privilege of wearing a skirt and need to be in khaki pants the rest of the year.

We are looking forward to a great school year.
