SUBJECT: Your Executive Education student is invited — please RSVP

Dear families,

Executive Education is going to Costa Rica in Summer 2026, and you're invited!

We're excited to tell you more about the trip we're planning with EF Tours, our educational travel partner. Please be sure to register for this info session to be considered for this opportunity:

<https://rsvp.eftours.com/hmxavd>

When students travel, they expand their knowledge of the world around them, discover more about themselves, and grow more confident. These skills are critical for creating the global citizens of tomorrow, and we would love to have your student join us on this adventure.

In this info session, we'll talk about:

- How this opportunity will benefit your student
- What we'll see and do on our trip
- Everything that's included in this experience
- How your child can earn academic credit
- How we're keeping this safe and affordable
- How to enroll on this trip (before it fills up!) during EF's risk-free enrollment period

There are limited spots on this trip, so we would love to have you attend this meeting to learn more about this exciting opportunity!

Thanks,
Matthew Wiltrout
Principal

Dear Executive Education families,

I am following up on my previous email about the informational meeting for the Costa Rica trip. I am excited to see how much interest there is in travel! Did you know students will get a chance to explore a cloud forest, come up close with unique animals like monkeys & sloths, plus get to explore hot springs?

See the meeting details and register for the meeting here: <https://rsvp.eftours.com/hmxavd>

Those who register for the meeting will be eligible to receive a **\$200 tour scholarship** and be eligible for Risk-Free Enrollment if they enroll on tour!

As a reminder for those with questions about this opportunity: all questions will be answered at the meeting. Registration for the meeting is mandatory, so do not wait. Looking forward to seeing you all there!

Yours,
Matt Wiltrout
Principal
