Title I, Part A Parents' Right to Know

September 10, 2021

Dear Parent/Guardian,

EEACS receives Title I funding and is included under the regulations of the Every Student Succeeds Act (ESSA) and with continued enforcement by the Elementary and Secondary Education Act (ESEA) Flexibility Waiver.

ESEA requires:

- Increased accountability for states and school districts.
- Greater choice for parents, especially those in low performing schools.
- Greater flexibility for state and local education agencies in the use of federal funding.

Under ESEA, parents have a right to request professional qualifications of their children's teacher(s) or paraprofessional(s). This letter is to inform you of your right to ask for the following information about your children's classroom teachers or paraprofessionals:

- Whether Pennsylvania has licensed the teacher for the grades and subjects he or she teaches.
- Whether the teacher is teaching under emergency or other provisional status through which Pennsylvania licensing criteria have been waived.
- The teacher's baccalaureate degree major and whether the teacher has any advanced degrees, and if so, the subject of the degrees.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to receive specific information about your child's teacher or paraprofessional, please contact the Director of Curriculum and Instruction for your child's school.

EEACS is fully committed to the success of your child. We appreciate your partnership in our efforts to provide the best education for your child.

Sincerely,
EEACS Administration
